75. Chief Officer's Memo dated 23rd February 1926, regarding additional allotment of Rs.6,000 required to meet expenditure under "Refunds of Octroi duty" during the remaining portion of the current year.

Resolution.—Approved. A detailed statement of refunds given in respect of the different dutiable articles may be circulated.

276. Government Proceedings No. 5303-5—Ml. 29-25-29, dated 21st January 1926, sanctioning three months' privilege leave to Mr. B. Tirumala Char, Assistant Engineer, City Municipality, Mysore, with effect from 1st January 1926, and appointing Mr. Y. Ramaswami, Trust Board Engineer, to be in charge of the work of Municipal Engineer in addition to his own during the period of the leave.

Also Municipal Engineer's Memo dated 23rd February 1926, intimating his desire to utilize the leave from 1st May 1926.

Resolved that Mr. B. Tirumala Char be allowed to proceed on leave from 1st May as requested and his services replaced at the disposal of the Public Works Department, on completin of the leave. Further resolved that with the consent of the Trust Board, the office of Municipal Engineer and Trust Board Engineer be held tentatively for a period of one year by a single Assistant Engineer, the Municipality and Trust Board paying the holder of the combined office, the existing sanctioned allowances and bearing one-half of his grade pay.

277. Letter dated 27th January 1926, from B. Brahmappa Tavanappanavar, Merchant and Commission Agent, Santhepet, Mysore, regarding the levy of Octroi duty on ground nuts and seeds.

The Council was not in favour of changing the existing rates of duty on oil seeds generally but desired that the question of differentiating shelled and unshelled ground nuts, for the purpose of assessing duty, be considered and reported upon by the Special Committee appointed in Council's Resolution—No. 142 dated 31st October 1925 to deal with Octroi on tobacco.

278. Government Proceedings No. 2779-82, dated 30th January 1926, passing orders regarding the capital cost of the water supply improvement and the maintenance charges of the Mysore City Water Supply Works.

Recorded—Mr. Mahomed Gouse Peer suggested that as the rate for excess water is raised to annas 12 per 1,000 gallons used for domestic purposes, the rate for non-domestic purposes be correspondingly raised to Rupee one per 1,000 gallons. Mr. B. K. Ramakrishnaiya suggested the following:—

"The owners of such houses whose rental value does not exceed Rs. 100 may be charged only Rs. 6 by way of the proposed water tax".

Mr. M. Ramaswami suggested the following amendment:—

"The owners of such houses whose annual rental value is below Rs 100 shall not be charged a tax of Rs. 9, if they take a tap to their houses, and they shall pay the proposed new rates in addition to what they have been paying before taking a tap".

The above suggestions are referred to Managing Committee for consideration when framing the Water Supply Budget.

292. Note No. 4 regarding the clerical establishment of the Municipality with a supplemental note and memorandum on office work.

Resolution.—The proposals contained in the note for the revision of the scale of pay of the several grades of the clerical establishment, as set forth in the proposition statement involving additional expenditure of Rs. 1,890 per annum are approved. Rules may be framed prescribing qualifications for admission to the clerical service of the Municipality as suggested in the President's note.

293. Report of the Finance Committee 1st and 2nd parts.

Read reports dated 10th and 28th February 1926, from the Special Committee appointed in Council's Resolution No. 329, dated 6th June 1925, to investigate the possibility of reducing expenditure in the several departments of the Municipality.

Resolution.—(1) The proposals of the Committee to abolish the post of Chief Officer and Collector and to combine the Office of the Municipal Engineer with that of the Trust Board Engineer have already been dealt with by the Council in their Resolutions Nos. 261 and 276, dated 20th and 27th March 1926 respectively.

(2) As regards clerical establishments, the proposals of the Committee have been considered and disposed of by Council in Resolution No. 292 passed this day on the President's Memo for the reorganisation of this class of Municipal Service.

(3) The Council accept the proposal of the Committee to abolish octroi duty on betel leaves.

(4) The Council note that the present Health Officer is drawing a salary considerably smaller than that of his predecessors and do not think it possible to effect any further economy in this item of expenditure.

(5) The remaining proposals are referred back to the Committee for reconsideration in consultation with the executive officers and any members of the Council who may be co-opted for the work. The Committee will be requested to examine in some detail, the work in each section that remains to be dealt with and to indicate any reduction or increase of staff with a view to economy combined with efficiency.
